Sir:

In response to the Office Action dated December 8, 2003, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

As a preliminary matter, Applicants' representative spoke via telephone with Examiner Duong on January 12, 2004 to clarify whether or not the present Office Action constituted a Final rejection, since the Office Action Summary ambiguously indicated that this Action was both Final and Non-Final. During the telephone conversation, Examiner Duong confirmed that **this Office Action is Non-Final.**

Claims 1-5, 7 and 8 are all the claims pending in the application. Claims 1-5, 7 and 8 presently stand rejected.
